Ref No.- 120/2024

DATE :- 24 April 2024

Ref. :- 1) Application of Principal Sunflag School as per request on Dated 10/04/2024

## - BUILDING LIFE CERTIFICATE -

As per Principal's request letter on dated 10/04/2024 regarding the inspection of school building. I personally visited the school on 24/04/2024 and verified all the Documents, Design and Drawing and also inspected the Physical Structure of school building.

### Following are my orally observation :

- 1) The Major portion of building was constructed in the year 1988, a part of the building was newly constructed in the year 2010-2012 and 2017-2018.
- 2) It Is constructed in Ground + 1 floor and have been designed with all structural safety norm including the Earthquake resistance, in accordance with Indian Standard I.S. - 456, I.S. - 1893, I.S. - 875 and National Building Code 2005.
- 3) The Building appears to be in good, stable and Safe condition with life span of another 35 to 40 years, atleast.

Note: - 1. This Certificate is being issued to thr school staff as per the Information by the principal as per the application for ref. no.1 also  
2. This certificate is not technically valid
